**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I live in an area that has a single provider for base level internet transfer, though two options for the actual provider. The single provider system means AT&T can charge whatever they want and drive my current provider out of the market.

The 1996 telecommunications act is critical and it's important that it stay in place.
